Newsletter

10th July 2017

Dear Parents and Carers,

Amazingly, we find ourselves in the last full week of the academic year. It only feels like a few months ago that I wrote my first Newsletter for the school. We have come a long way but there is much more to do next year as we continue to work together to improve this school and the outcomes of our children.

Sports Day

Last Friday we made the most of the wonderful sunshine with our Sports day - The children certainly enjoyed themselves and I think the parents did too (even if they were melting slightly). A query that came up was whether we could have a parents' race, however having seen parents getting injured in the past and knowing that this is a precarious issue with regard to the school's insurance this is not an option that we will be pursuing. Sorry for this to those parents that made the request. We are very grateful to Mrs Singh and her team over at the 'Juniors' who were extremely accommodating, allowing the use of their wonderful sports field.

School Reports

Today the children will receive their school reports. Please read this through with your child and celebrate their achievements. It is important to discuss any areas of development together as a family and reinforce that the targets can indeed be achieved. If you would like to discuss your child's report please let the class teacher know and she/he will book you in on Thursday.

Uniform

A number of parents have complained to me about the quality of the uniform from our current suppliers as well as the cost over the year. We audited the various suppliers and found out that TESCOs direct can supply our uniform with an embroidered badge on the Polo shirt and the jumper for a fraction of the cost. Also, you can get it delivered to your home or pick it up from your local shop. I have reviewed the uniform policy and will send this out to you all before the end of term so that you can buy in confidence ready for September. The children are given colour coded wrist bands so that the kitchen staff ensure the correct choice of lunch is handed out. Just to remind you, the meat will be both stored and prepared separately.

EVERY DAY COUNTS Attendance News

We celebrate good attendance each week in assemblies and the children across the school with the best attendance at the end of each half term win a movie and popcorn afternoon.

w.e. 28.7.17 Rec RR 89.7% Yr1 1M 90.7% Yr2 2S 87.1% Well done to **1M** on the best attendance of the week.

Please can we remind parents that if your child does not come to school for whatever reason you must phone the school office to inform them of the absence by 9am. Then when your child returns to school, a letter explaining the reason for their non attendance must be handed in either to the teacher or the school office.

Awards Assembly

Each Friday morning, Mr Oakley holds an assembly for Year 1 and Year 2 children, where he gives out Star of the Week and Teachers' Special Awards.
